Dual Degree Study Planner
Bachelor of Mathematics /
Bachelor of Commerce

THE UNIVERSITY OF QUEENSLAND AUSTRALIA | CREATE CHANGE

Important Information

It is your responsibility to ensure that you complete all the requirements for each component of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal.

Program Requirements

The Program Rules outline the requirements to complete the dual program and should be read in conjunction with the course list for each component of the dual program. The program rules are available on UQ's Programs and Courses website for the program, under 'Program Requirements', and the course lists under 'Component Degrees'.

Program Guidelines

Bachelor of Mathematics component:

- Students without Queensland Senior Maths C (or equivalent) should complete MATH1050 before MATH1051.
- Students must complete at least one major.

Bachelor of Commerce component:

- Students must successfully complete all Part A courses, excluding ECON1310, one major from Part B and an elective from Part B/C of the BCom course list.

Exiting Early

Students exiting early with one component of a dual degree must complete the single degree requirements of that component. Students will then be required to follow the single degree rules to complete the remaining component from that dual degree.

Global Experience

If you are planning on completing an overseas exchange, you may have to amend this plan. Students who would like an exchange experience in their program are encouraged to seek advice early in their program and be aware of the exchange deadlines: https://employability.uq.edu.au/global-experiences

Require Further Assistance?

If you require assistance planning your program or have concerns about meeting program requirements, please contact the relevant Faculty for advice:

Program	Faculty	Contact Information

Semester 1 Commencement | Full Time Study Planner

		BACHELOR OF MATHEMATICS			BACHELOR OF COMMERCE		
		Course Code	Course Name	Units	Course Code	Course Name	Units
Year 1	Semester 1	MATH1051[1]	Calculus & Linear Algebra I	2	ACCT1110	Financial Reporting and Analysis	2
		MATH1061	Discrete Mathematics	2	BISM1201	Transforming Business with Information Systems	2
	Semester 2	MATH1052[1]	Multivariate Calculus & Ordinary Differential Equations	2	ECON1011	Economics for Business	2
		STAT1301[2]	Advanced Analysis of Scientific Data	2	LAWS1100	Business Law	2
Year 2	Semester 1	MATH2400[1]	Mathematical Analysis	2	FINM1415	Introduction to Finance	2
		Level 2 Course	Level 2 course from BMath major list	2	ACCT1102	Introduction to Management Accounting	2
	Semester 2	MATH2504	Programming of Simulation, Analysis, & Learning Systems	2	MGTS1301	Introduction to Management	2
		Level 2 Course	Level 2 course from BMath major list	2	Elective[2]	BCom Part B or C Elective	2
Year 3	Semester 1	Level 2 Course	Level 2 course from BMath major list	2		Course 1 for BCom Major	2
		Elective	Course from the BMath course list	2		Course 2 for BCom Major	2
	Semester 2	Level 3 Course	Level 3 course from BMath major list	2		Course 3 for BCom Major	2
		Level 3 Course	Level 3 course from BMath major list	2		Course 4 for BCom Major	2
Year 4	Semester 1	Level 3 Course	Level 3 course from BMath major list	2		Course 5 for BCom Major	2
		Level 3 Course	Level 3 course from BMath major list	2		Course 6 for BCom Major	2
	Semester 2	Level 3 Course	Level 3 course from BMath major list	2		Course 7 for BCom Major	2
		Elective	Course from the BMath course list	2		Course 8 for BCom Major	2

[1] Students should refer to the BMath course list for advanced course offerings.
[2] STAT1301 is compulsory for the BMath and therefore students in this dual program are not permitted to take ECON1310 towards the BCom requirements.
