Master of Physiotherapy (MPhty) 5221

Duration

Part A:

**First 8 Units** (4 courses) – delivered part time (half time) in flexible delivery mode (web based delivery platform) over 2 semesters (Semester 1 and 2).

**Part B (Musculoskeletal Physiotherapy):**
Final 8 units (4 courses) – delivered on-campus over one semester (Semester 1) with the option for domestic students to undertake this on a part time (half-time) basis, over two semesters (Semester 1 of sequential years).

**Part B (Sports Physiotherapy):**
Final 8 units (4 courses) – delivered on-campus over one semester (Semester 2) with the option for domestic students to undertake this on a part time (half-time) basis, over two semesters (Semester 2 of sequential years). Sports coverage will need to be completed before commencement of Semester 2 of final year (details provided during Part A).

**Part B general note:**
The structure of all courses requires attendance at St Lucia Campus of the University of Queensland. That is, each course runs over the 13 week semester.
