

INTERNATIONAL TUITION FEES ADVICE FOR 2010

At The University of Queensland tuition fees are calculated on the basis of the actual courses you enrol in each semester rather than on the entire program. Within the program rules, students can choose from a range of courses to meet program requirements. As a result, it is not possible to calculate precisely the total cost of a program until course selection has been finalised.

NOTE ! International tuition fees for 2010 have not yet been finalised. Please refer to the International Tuition Fees Advice for 2009 as a guide, as well as the indicative international fees on this website or in the appropriate prospectus for your studies.

**** The International Tuition Fees Advice for 2010 will be posted early December 2008 **
Please re-visit this website at that time.**
