

# POSTGRADUATE COURSEWORK PROGRAMS

UQ offers a wide range of world-class coursework programs – discover the program that suits you best.

Sharad Rajendran, from India, studying a Masters by Research, Materials Engineering

AGRICULTURE, ANIMALS, FOOD & ENVIRONMENT 36

BUSINESS, ECONOMICS, TOURISM & LAW 42

ENGINEERING, ARCHITECTURE & PLANNING 50

HEALTH 56

SCIENCE & INFORMATION TECHNOLOGY 68

HUMANITIES, SOCIAL SCIENCE, EDUCATION & ARTS 74

# FIELDS OF STUDY

The index table below will guide you to information about specialist study areas (programs and fields of study) in the postgraduate coursework programs pages.

Arts/Law graduate and 2007 Queensland Rhodes Scholar Ryan Goss

Programs/fields of study	Page
Addiction studies	62
Agribusiness	44
Agricultural economics	40
Agricultural science	38
Agricultural studies	38
Ancient history	76
Animal physiotherapy	38
Animal science and management	38
Animal studies	38
Applied finance	46
Applied health science	58
Applied law	44
Applied linguistics	76
Applied and local history	76
Applied science	58
Art therapy (mental health)	63
Arts	76
Arts in Japanese interpreting and translation	77
Arts in translation and interpreting (English and Chinese)	77
Audiology studies	58
Australian studies	76
Biological engineering	52
Biotechnology	49, 70
Business	44
Business administration	45
Business economics	46
Cardiothoracics (physiotherapy)	65
Chemical education	73
Chemical engineering	52
Chemistry	73
Child and family practice	86
Child protection	82
Child psychotherapy	64
Chinese/Australian comparative law	44, 48
Chronic and palliative care	62
Civil engineering	52
Cleaner production	39
Clinical dentistry	59
Clinical epidemiology	62

Programs/fields of study	Page
Clinical exercise science	58
Clinical neuropsychology and clinical psychology	85
Clinical pharmacy	60
Clinical psychology	78, 85
Clinical psychology and educational psychology	85
Clinical psychology and clinical geropsychology	85
Clinical psychology and health psychology	85
Commerce	46
Communication	78
Communication for social change	78
Community development	79, 82
Community mental health	64
Community practice	86
Computer science	73
Conservation biology	39, 73
Counselling	79
Criminal law and criminology	44, 48
Criminology	85
Defence (public health)	66
Dental science	61
Dento-maxillofacial radiology	59
Development planning	79
Development practice	79
e-Healthcare	61
Ecological and environmental economics	40
Economic evaluation	47
Economics	46, 47
Education	80
Educational studies	80
Electrical engineering	52
Electricity market	52
Electronic commerce	46
Endodontics	59
Engineering	52
Entomology	70
Entrepreneurship	45

Programs/fields of study	Page
Environment (mineral resources)	54
Environmental engineering	52
Environmental management	38
Environmental tourism	39
Ergonomics	61
Ethics	76
Exploration (mineral resources)	54
Family therapy	64
Family therapy studies	82
Financial mathematics	73
Food studies	71
General practice	63
Geographic information science	71
Gerontology (physiotherapy)	65
Governance and public policy	81
Guidance and counselling	81
Health and development	47
Health communication	78
Health economics	47
Health practice	85
Health studies	61
History	76
Human movement science	73
Human resource management	45
Human services	81
Humanities	76
Hypersonics	53
Indigenous health	66
Information systems	46
Information technology	71
Instrumental pedagogy	83
Integrated water management	39
Intellectual property law	44, 48
Interaction design	72
International business	45
International economics and finance	47
International event management	45
International hotel management	45
International political development	79
International public health	62
International relations	82

UQ Nursing student Belinda Chay

Bachelor of Music/Bachelor of Arts student Kieren Brown

Agriculture: UQ student Libby Thompson samples wool.

Chemical engineering student Yunyi Wong

Dr Rod Rietze, head of the Queensland Brain Institute's Neural Stem Cell Laboratory

Programs/fields of study	Page
International sport and recreation management	45
International studies	82
International trade	44, 48
International travel and tourism management	45
Interpersonal practice	86
Japanese	76
Journalism	83
Juris Doctor	48
Laws	48
Leadership	81
Leadership and management practice	86
Learning support	81
Letters	83
Linguistics	76
Litigation and dispute resolution	44, 48
Magnetic resonance technology	53
Management and leadership	82
Marketing	45
Materials engineering	53
Materials science	73
Mathematics	73
Mathematics (educational studies)	80, 81
Mechanical engineering	53
Mechatronics engineering	53
Media studies	78
Medical journalism	83
Medicine	62, 63
Mental health	63
Mental health administration	64
Mental health of children and young people	64
Mental health nursing	64
Middle years of schooling	80, 81
Minerals industry risk management	54
Minerals process engineering	53
Minerals processing	54
Mineral resources	54
Mining engineering	53
Mining and equipment	54

Programs/fields of study	Page
Molecular biology	72
Musculoskeletal physiotherapy	65
Museum studies	83
Music	83
Music studies	84
Music therapy	84
Natural resource economics	40
Natural resource management	39
Natural resource studies	40
Neurological (physiotherapy)	65
Nutrition (public health)	67
Occupational therapy studies	64
Oral medicine	59
Oral pathology	59
Oral pathology and oral medicine	59
Organisational communication	78
Organisational psychology	84
Orthodontics	59
Paediatric dentistry	60
Paediatrics (physiotherapy)	65
Peace and conflict resolution	82
Performance	83
Periodontics	60
Philosophy	76
Physics	73
Physiotherapy	65
Physiotherapy studies	66
Planning for social development	80
Plant protection	40
Prevention and promotion in mental health	64
Primary care skin cancer medicine	63
Professional accounting	46
Project management	48
Property studies	49
Prosthodontics	59
Psychology	85
Psychotherapy	64
Psychotherapy studies	64
Public health	66
Public relations and professional communication	78

Programs/fields of study	Page
Public sector management	45
Regional development	55
Rehabilitation sciences	58
Research commercialisation	49
Rural and regional communication	79
Rural systems management	41
Science	72, 73
Science communication	79
Science (educational studies)	81
Science in forestry	41
Secondary (education)	80
Shakespeare studies	76
Social planning	86
Social policy analysis	82
Social science	85
Social work	86
Software engineering	53
Speech pathology studies	67
Sports coaching	58
Sport and exercise psychology	86
Sports medicine	67
Sports (physiotherapy)	65
Standard (health studies)	62
Standard (public health)	67
Statistics	73
Studies in religion	76
Sustainable development	39
Systems engineering	53
Technology and innovation management	49
TESOL studies	77
Tropical animal health and production	41
Tropical health	67
Urban and regional planning	55
Veterinary diagnostic pathology	41
Veterinary science	41
Veterinary studies	41
Wastewater management	53
Water and land	38
Writing, editing and publishing	77
