Dental School
Clinical and Related Waste
Work Instruction

1. **Work Instruction Scope**

This work instruction supports the University of Queensland Clinical and Related Waste Operating Procedure and applies to the Dental School.

2. **Collection for disposal**

2.1 **Bins and Locks**

- All Clinical and Related waste is collected for disposal in yellow 240 litre wheelie bins.
- Yellow 240 litre wheelie bins and locks can be obtained by contacting the Cleaning Services, Property and Facilities Division. See Section 3 for contact details.

2.2 **Collection Times**

- Clinical and Related Waste is collected by contractors Monday to Friday.
- The School shall take the locked yellow 240 litre bins to the collection point outside the building by 9.15am weekdays. The collection area is as follows:

<table>
<thead>
<tr>
<th>Building</th>
<th>Collection Point</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dental School</td>
<td>Locked cage underneath the building.</td>
</tr>
</tbody>
</table>

- Empty replacement bins will be left in place of the bins left out. Bins may remain in the cage until required.

3. **Contacts**

Any enquiries regarding Clinical and Related Waste management, contact:
