Dental School
Green Waste
Work Instruction

1. Work Instruction Scope

This work instruction supports the University of Queensland Green Waste Operating Procedure and applies to the Dental School.

2. Collection and storage

Green waste is collected by the Property and Facilities Division - Grounds staff or their contractors as appropriate. If the waste is to be stored, it can be transported to the Division’s St Lucia campus Riverside Compound by Grounds staff only.

3. Contacts

Any enquiries regarding the management of the Green waste stream shall be addressed to personnel as follows:
