## List of Departments

## Course Catalogue and Course Descriptions

https://campus.tum.de/tumonline/webnav.ini (important: students should NOT register on that plattform! Please only use it without registration)

To use the course catalogue, students need to choose the desired language in the top right hand corner (de/en) then select «courses» in the search bar and click on «advanced search». Selecting «English» as the language of instruction will then give them a list of all the courses offered in English in a given semester.

## Language of Instruction

German and English. The number of courses offered in English is constantly increasing and TUM offers more than 25 Master’s Programmes entirely conducted in English. Please confirm the language of instruction for your courses of interest.

## Language Proficiency

Proficiency in the language of course instruction is required, that is, German proficiency is required for courses taught in German, while proficiency in English is required for courses taught in English.

While not mandatory for all TUMexchange students, some German proficiency is highly desirable even for students who are only taking courses held in English in order to fully participate in the wider community and student life.

## Language Courses

TUM offers German language courses for international students. Intensive courses take place two weeks before the start of lectures.

## Semester Workload

20 ECTS credits recommended

## Examinations and academic Transcripts

If the examination time does not fit into your study plan at home, be aware that earlier or extra examinations for exchange students cannot be arranged at TUM! Exchange students need to attend the exams on the official examination dates. Examination dates vary between the TUM departments but generally take place between February and March (winter term) and between July and September (summer term). For the exact dates one has to contact the departmental coordinator.

Transcripts can be downloaded online, even after students have left TUM. Students who need to have an original transcript sent to their home institution have to inform their respective TUM department about the relevant address early in advance.
Accommodation

There is very high demand for accommodation in Munich. The “Studentenwerk” (Munich-based Student Association) only allocates a limited number of rooms to the TUM International Center which can, therefore, only offer accommodation to one in nine exchange students. However, we try to provide students coming under the “TUMexchange” program at least one room offer. If we can offer a room to incoming TUMexchange students, they will automatically be placed on a list to receive a room offer, unless they specifically informed us that they do not want to live in student accommodation.

In case we cannot offer a room due to high demand, we will send out an e-mail in July (for winter term) / in January (for summer term).

The rooms we offer are typically single or double bedroom apartments with kitchenettes and private bathrooms or shared double rooms with community showers and kitchens. Internet access is currently available at every student accommodation. Meals are not provided, but there are student cafeterias on all 3 campuses where lunch is served at reasonable prices.

For students from exchange programmes not included in “TUMexchange” (e.g. students coming under the agreement of “partner university”, faculty agreements or third party programs): Please see the information under ‘Help for exchange students of other mobility programs (e.g. Erasmus, bilateral agreement etc.’, which can be found at the following link: https://www.international.tum.de/en/coming-to-tum/exchange-students/accomodation/

Orientation Programme

TUMi provides an orientation program designed to help students to gain an orientation in Munich. The program takes place during the first two weeks of October (winter term) and the first two weeks of April (summer term). The program is divided into instructional units that are designed not only to help you get through the paper work upon arrival, but also to acquaint you with the cultural offerings in and around Munich.
