6. PERSONAL DEVELOPMENT: the uVvA’s programmes encourage personal development, critical thinking, and cultural sensitivity.

7. QUALITY OF EDUCATION: the uVvA’s academic programmes are internationally renowned for their high quality and innovative teaching methods.

8. AMSTERDAM: the uVvA is located in the vibrant and historic city of Amsterdam, offering a unique study environment.

9. PRIME LOCATION: Amsterdam is the financial and cultural hub of the Netherlands, providing easy access to international opportunities.

10. STUDYING IN AMSTERDAM: the uVvA offers a variety of programmes, from undergraduate to graduate studies, in a variety of fields.

EXCHANGE PROGRAMMES

Study in Amsterdam

A world-class education

The uVvA is comprised of four campuses located in the city of Amsterdam. Courses are held in state-of-the-art facilities and laboratories. Our libraries offer access to a vast collection of resources, and our central international office provides support for students and researchers.

Coming on exchange

We participate in an extensive network of European and global partner universities to facilitate student exchanges and help you broaden your horizons. If you are an academic from a non-Dutch university and are interested in coming on exchange, please contact the Office of International Student Affairs for more information.

The uVvA in Amsterdam

Founded on a tradition of highly integrated academics, the University of Amsterdam enjoys a global reputation for high-quality teaching and a broad range of degree programmes. Our innovative and international academic tradition dates back to 1632, and continues today through our thriving community of independent scholars.

We encourage you to participate in a challenging and inspiring academic exchange programme at the uVvA. During your time with us, you will learn new analytical and problem-solving skills, interact with successful students worldwide, and explore the UvA’s extensive global networks.

The uVvA promotes an open, tolerant and diverse academic environment. We are proud to offer one of the largest selections of English-taught programmes in continental Europe.

The uVvA is the financial, cultural and historical heart of the Netherlands. It is also home to numerous international companies, institutions and museums. The city boasts a beautiful harbour and more than 150 canals, lending Amsterdam its unique and charming historical atmosphere.

The people of Amsterdam are easy-going and welcoming to foreigners. English is the city’s second language. Getting around is easy using the extensive public transport system, or you can explore the city by bike, discovering places on your own.

Studying in Amsterdam

Amsterdam provides an ideal environment for academic study. As the capital city with a population of over 800,000, Amsterdam is the financial, cultural and historical heart of the Netherlands. It is also home to numerous international companies, institutions and museums. The city boasts a beautiful harbour and more than 150 canals, lending Amsterdam its unique and charming historical atmosphere.

The people of Amsterdam are easy-going and welcoming to foreigners. English is the city’s second language. Getting around is easy using the extensive public transport system, or you can explore the city by bike, discovering places on your own.
10 REASONS TO choose the uVcA

1. 

A world-class education

The UvA is ranked among the top 30 universities in Europe and in the top 100 worldwide. It is considered one of the best research universities in the world.

2. 

The city as a campus

Amsterdam provides an ideal environment for academic study. As the capital city of the Netherlands, Amsterdam is the financial, cultural and creative heart of the Netherlands. It is also home to numerous international companies, institutions and museums. The city boasts beautiful canals, more than 1,250 bridges and much more than 1,000 parks of different shapes and sizes.

3. 

The people of Amsterdam

Amstersdammers are easy going and welcoming to foreigners since English is the city’s second language. Getting around is easy using the extensive public transport system, or you can explore the city by bike, discovering places no tourist guidebook will ever mention.

4. 

Financial support

The UvA offers a wide range of financial support through scholarships, stipends, loans and more than 125 grants, covering tuition fees, living expenses and more. Students are actively supported in finding housing while in Amsterdam.

5. 

Personal development

The UvA promotes an interactive teaching style which encourages students to develop self-reliance and independence. High-quality teaching and a broad range of subjects are offered at the university, providing an excellent environment to develop critical and independent thinking.

6. 

International composition and academic exchange

The international composition of the university’s student body is one of its strengths. Being part of a diverse student body will provide you with unique opportunities to develop personal and professional skills.

7. 

Academic and personal guidance

The UvA offers a variety of services to support you during your stay in Amsterdam. The University is involved in more than 375 universities worldwide.

8. 

The city of Amsterdam

Amsterdam is a city of contrasts, which has something for everyone. From the busy streets of the city centre to the tranquil canals, Amsterdam has it all.

9. 

English-taught courses

The UvA offers a wide range of English-taught courses. This means you can choose from a wide variety of subjects without worrying about your language skills.

10. 

STUDENT SUPPORT

The UvA offers a wide range of student support services, including academic and personal guidance, financial support, and more. The university is committed to providing a high-quality education and a safe and comfortable environment for all students.
