PRACTICAL INFORMATION

Visa

EU students do not need to apply for a visa. Non EU students will have to apply for a student visa. Please note that a tourist visa is not enough to stay in Spain for over three months. More information: http://www.upf.edu/barcelona/en/requisits/index.html

Health cover

Students from a Member State of the EU, EEA or Switzerland and entitled to coverage under the social security system of their country, then they can apply for the European Health Insurance Card (EHIC). While the EHIC card gives EU citizens access to medically necessary, state-provided healthcare during a temporary stay in Spain, it is NOT an alternative to travel insurance. It does cover NEITHER accidents NOR any private healthcare or costs such as a return flight home country or lost/stolen property.

Students which are citizens of a country outside the EEA or Switzerland, then they must find out whether there exists a mutual health provision agreement between the Social Security system of their country and Spain (this is the case of a number of Latin American countries). If such an agreement exists, they can obtain a document from the relevant authorities in their country entitling them to free medical coverage in Spain.

All international students, including Erasmus, are required to have full coverage of eventual risks during their stay in Spain and UPF will check that at least an accident and travel insurance has been contracted to complement the EHIC. More information: http://www.upf.edu/barcelona/en/cobertura/index.html

Housing

The Mobility and Reception Office does not provide accommodation service directly. However, UPF is a member of the BCU, a public service that assists international students coming to Barcelona. It manages the Resa Housing Service with a wide range of flats and rooms to rent and information about student residence halls. Moreover, UPF is member of Housing Anywhere, a housing platform where exchange students coming to UPF can sublet the room in their country of origin and can find a room to rent in Barcelona.

Finally, UPF has direct agreements with some residence halls: http://www.upf.edu/barcelona/en/allotjament/

Cost of living

Students should plan the following monthly expenses (approximate):

<table>
<thead>
