WELCOME TO K-STATE!

Congratulations on your acceptance to Kansas State University. We look forward to meeting you!

Remember to:

☐ Review your I-20/DS-2019, confirm the information is correct, sign and date it

☐ Pay SEVIS fee

☐ Apply for your nonimmigrant visa, DS-160, and pay the application processing fee

☐ Make a visa appointment at your nearest U.S. Embassy or Consulate

☐ Make travel arrangements

☐ Arrange for housing

☐ Travel with your immigration documents and passport readily available in your carry-on luggage

KANSAS STATE UNIVERSITY
Prepare for academic life

Students who have not provided proof of English proficiency will take the English proficiency test upon arrival. Learn more at k-state.edu/oip/intladmit/applying/language. All new students must take the online math placement exam before enrolling in regular university courses. This can be done before you arrive on campus. If you wait until after your arrival, you can discuss this test with your academic advisor. More information is available at math.ksu.edu/placement.

More information

Kansas State University is more than a school; we're a family. We look forward to having you join us. You can find all of the information in this brochure and more at k-state.edu/oip/intladmit/admitted.

For general information about campus life, please visit k-state.edu/admissions/life. You also can watch videos about K-State at youtube.com/user/KState. Please feel free to contact the International Admissions and Recruiting Office if you have any further questions. Go Wildcats!

**Visa information**

Your admission letter and I-20/DS-2019 form are enclosed. Please read them and notify us of any mistakes. You will use these documents to obtain a student visa and also must show them at the port of entry when you enter the U.S. Your SEVIS I-901 fee — mandatory for nonimmigrant students — must be paid at fmjfee.com at least three business days before your scheduled visa appointment.

Apply for your nonimmigrant visa, form DS-160, and pay the application processing fee with the Department of State at ceac.state.gov/GenNIV. You will need to print the bar-coded DS-160 confirmation page for your interview. Schedule a visa interview at the nearest U.S. Consulate or Embassy, usembassy.gov, after you receive your I-20/DS-2019.

**Travel information**

Many students choose to fly directly to the Manhattan Regional Airport (MHK). Learn more at flymhk.com. For airport shuttle pick up and packing suggestions visit k-state.edu/oip/intladmit/admitted/travel.

Manhattan is a diverse town with a caring atmosphere. Learn more about your new community at ci.manhattan.ks.us/. We are expecting you to arrive on the Manhattan campus no later than the reporting date on your I-20/DS-2019. Please contact us immediately if your arrival will be later.

For information on U.S. arrival procedures, visit www.ice.gov/sevis/students.

**K-State identification**

You will find your Wildcat ID number (WID) located at the top of your admission letter. You will need this for your housing application and contract, and to obtain your student ID card. This number is not a substitute for a U.S. Social Security number. Information on Social Security numbers will be provided at orientation.

As a K-State student, you must have an eID, which you will use to access K-State’s electronic resources. You should have created an eID and password when you applied for admission. If you cannot remember your eID and password, or did not submit your own application, follow instructions online at k-state.edu/its/eid or call the IT Helpdesk at +1 785-532-7722. Passwords cannot be reset through an email request.

**Housing options**

There are two types of housing to consider when coming to K-State, although we strongly encourage you to live on campus for at least your first year.

1. **On-campus housing.** including the residence halls and Jardine Apartments. Apply online at housing.k-state.edu/living-options/index.html. For the Salina campus, visit salina.k-state.edu/residencelife/Applications.html.
2. **Off-campus housing.** Find information about off-campus housing at k-state.edu/osas/cta.

For additional information about on-campus housing, visit housing.k-state.edu or email Housing and Dining Services at housing@k-state.edu.

**Health information**

**Insurance**

K-State requires all students to have health insurance coverage, which may be purchased through the university. Insurance coverage will be automatically included in your tuition bill. For assistance, contact the insurance coordinator in the International Student Center at insuresure@k-state.edu. More information is at k-state.edu/iss/healthinsurance.html.

If you have your own insurance that meets the minimum requirements and is valid in the U.S., please bring your insurance identification card as proof of insurance. You will not be required to purchase the university health insurance plan with qualifying proof of insurance.

**Tuberculosis (TB) testing**

K-State has a mandatory tuberculosis testing policy. No student will be allowed to enroll in classes until tuberculosis screening is completed. Students from high-risk countries are required to be tested for tuberculosis through our on-campus center.

Bring complete and current vaccination records with you. For more information, visit k-state.edu/lafene/tb.html.

**Campus information**

**Check-in**

U.S. Immigration regulations require you to check in with International Student and Scholar Services upon your arrival to campus. Visit k-state.edu/iss/orientation for scheduled check-in times. Bring all immigration documents with you.

**Orientation**

All international students are required to attend K-State’s international student orientation. A schedule can be found at k-state.edu/iss/orientation.

**Enrollment**

You will enroll in classes after you arrive on campus and attend orientation. No payment is due prior to your arrival, and your student account will be billed after you complete enrollment.

**Payment options**

Visit k-state.edu/admissions/finaid to learn more about tuition and fees. All available payment options can be found at k-state.edu/finsvcs/cashiers/payment/internationalpayments/index.html.

Most students open a local checking account for convenience. You must submit two forms of identification, such as your passport and your K-State student ID card (which you will obtain once you arrive on campus).
Becoming an undergraduate student at K-State

Academic requirements
We require a high school 2.5 grade point average (GPA) on a 4.0 scale. This is a B average, or 80 percent average, for all high school level-academic work. There are several programs with higher GPA requirements, including accounting (3.0), architecture and interior design (3.0), business (2.75), engineering (2.75) and fine arts (2.75).

Standardized tests
ACT and SAT tests are not required. If you have taken the test and would like to submit your scores, they may supplement your application. Test scores should be sent to K-State's university code: 6334, undergraduate admissions.

English Language Proficiency

<table>
<thead>
<tr>
<th>Test</th>
<th>Score Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>IELTS (internet based TOEFL)</td>
<td>Overall score of 79</td>
</tr>
<tr>
<td>IELTS</td>
<td>Overall score of 6.5</td>
</tr>
<tr>
<td>SAT</td>
<td>English score of 23</td>
</tr>
<tr>
<td>SAT (Cambridge English: First)</td>
<td>Critical Reading score of 530</td>
</tr>
<tr>
<td>CAE (Cambridge English: Advanced)</td>
<td>Grade A</td>
</tr>
<tr>
<td>CAE (Cambridge English: Advanced)</td>
<td>Grade C or higher</td>
</tr>
</tbody>
</table>

Test scores should be sent to K-State's university code: 6334, undergraduate admissions. Unofficial test scores will not be accepted.

Undergraduate students may be admitted to Kansas State University based on academic credentials with no proof of English proficiency. These students will be required to take the English Proficiency Test on campus upon arrival. This test will determine whether a student requires English language courses before beginning academic courses.

Application process:
1. Online international student application form, k-state.edu/undergraduate/apply
2. $80 USD application fee
3. A copy of your passport photo page
5. High school and university transcripts (any transcripts from U.S. universities must be sent directly from the registrar's office at that university to our office of admissions)

Transcripts and bank statements must be delivered by fax or post:
Fax: +1-785-532-4311
Office of International Admissions
Kansas State University
304 Fairchild Hall
Manhattan, KS 66506-1111, USA
MAJORS AND PROGRAMS

UNDERGRADUATE
Manhattan Campus

College of Agriculture
General agriculture (undeclared)
Agribusiness (food industry, international)
Agricultural communications and journalism (environment)
Agricultural economics* (farm management, natural resources and environmental sciences, pre-law, quantitative)
Agricultural education
Agricultural technology management
Agronomy (business and industry, consulting and production, plant science and biotechnology, range management, soil and environmental science)
Animal sciences and industry (animal products, bioscience/biotechnology, business, communications, production/management, science)
Bakery science and management (cereal chemistry, production management)
Feed science and management (biofuels production, feed production, pet food production)
Food science and industry (business and operations, management, science)
Horticulture* (fruit and vegetable production, golf course management, greenhouse and nursery management, horticultural science, landscape management, sports turf operations management, landscape design)
Milling science and management (chemistry, operations)
Park management and conservation (interpretation, law enforcement ranger, recreation business)
Wildlife and outdoor enterprise and management

College of Architecture, Planning & Design
Five year master's programs
Architecture
Interior architecture & product design
Landscape architecture
Regional & community planning

College of Arts & Sciences
Open option (undeclared)
American ethnic studies
Anthropology
Art (art history, ceramics, digital arts, drawing, graphic design, illustration, metalsmithing and jewelry, painting, photography, printmaking, sculpture)
Biochemistry* (medical biochemistry, molecular biophysics)

Biology* (botany, ecology, genetics, molecular/cellular biology, virology and immunology, zoology)
Chemistry
Clinical laboratory science (medical technology)
Communication studies (legal, organizational, politics, relational, rhetorical)
Dance (ballet, modern, jazz, tap and musical stage dance)
Economics
English (creative writing, literature, literature with teaching certification)
Fisheries, wildlife and conservation biology (biodiversity and conservation, fisheries ecology and management, wildlife ecology and management)
Geography
Geology
Health professions (pre-chiropractic, pre-dentistry, pre-health information management, pre-medicine, pre-nursing, pre-occupational therapy, pre-optometry, pre-pharmacy, pre-physical therapy, pre-physician's assistant, pre-respiratory therapy)
History
Journalism and mass communications (advertising, journalism and digital media [includes electronic and print], public relations)
Mathematics* (actuarial and applied)
Microbiology
Modern languages (French, German, Spanish)
Music
Music-applied (composition, instrumental performance, music theatre, vocal performance)
Music education
Philosophy
Physical science (pre-law)
Physics
Political science
Pre-law
Psychology
Social work
Sociology (criminology)
Statistics
Theatre
Women's studies

Interdisciplinary Majors
Humanities
Life science
Physical science
Social science

College of Business Administration
Accounting
Entrepreneurship
Finance (controllership, financial management, financial services)
Management (general management, human resources management, operations and supply chain management)
Management information systems
Marketing
Certificates: international business, investment management

College of Education
Elementary education
Secondary education (art, biological sciences, business, chemistry, earth science, English, journalism, mathematics, modern languages, physics, social studies, speech)

College of Engineering
General engineering (undeclared)
Architectural engineering* (LEED, sustainability)
Biological systems engineering (biological, environmental, machinery)
Biological agricultural engineering*
Chemical engineering
Civil engineering (construction, environmental, structure, transportation/materials)
Computer engineering
Computer science (game design, cybersecurity, robotics)
Construction science and management
Electrical engineering
Industrial engineering*
Information systems
Mechanical engineering (nuclear engineering)
Software engineering (game design, cybersecurity, robotics)

College of Human Ecology
Apparel and textiles (apparel design and production, apparel marketing)
Aesthetic training
Communication sciences and disorders
Dietetics (coordinated, didactic)
Early childhood education
Family and consumer sciences education
Family studies and human services
Health fitness instructor
Hospitality management*
Human ecology (general)
Human nutrition* (nutrition and health, nutrition sciences)
Human nutrition and kinesiology (dual degrees)
Interior design
Kinesiology
Personal financial planning

College of Veterinary Medicine
Pre-veterinary medicine (College of Agriculture and College of Arts & Sciences)

Secondary Majors
Biological engineering
Gerontology
International studies
Latin American studies
Natural resources and environmental studies

Minors
Aerospace studies
African studies
Agribusiness
Agriculture economics
Agricultural technology management
Agronomy
Animal sciences and industry
Anthropology
American ethnic studies
Applied genomics and biotechnology
Aviation safety (Salina campus)
Bakery science
Biology
Business
Business administration
Cereal chemistry
Chemistry
Chinese
Communication studies
Community planning
Computing and information sciences
Conflict analysis and trauma studies
Construction engineering technology
Dance
East Asian studies
Economics
English
Entomology
Entrepreneurship
Environmental designs
Environmental geophysics
Feed science and management
Food science and industry
French
Geography
Geology
German
Grain handling operations
History
Horticulture
Hospitality management
International agriculture
Japanese
Jazz studies
Kinesiology
Manufacturing systems
Mass communications
Military leadership
Music
Nuclear engineering
Pet food science
Philosophy
Physics
Plant pathology
Political science
Queer studies
Russian
South Asian studies
Statistics
Spanish
Theatre
Women’s studies

Leadership studies
Leadership studies minor

* Denotes concurrent degree programs
◇ Also offered at Salina campus

Salina campus
College of Technology and Aviation
Aeronautical technology (air traffic control management, airport management, avionics systems management, aviation maintenance management, helicopter pilot, professional pilot, unmanned aerial systems)
Applied business (associate degree only)
Engineering technology (bachelor and associate degrees offered) (digital media technology [associate only], computer systems technology, electronic and computer engineering technology, mechanical engineering technology, Web development technology)
Technology management
Application deadlines:
Term / Dates          Oct. 1    March 1    May 1    Oct. 1    March 1    May 1
Spring 2015 (January)  
Summer 2015 (June)     
Fall 2015 (August)     
Spring 2016 (January)  
Summer 2016 (June)     
Fall 2016 (June)       

Academic calendar:
Spring 2015           
Summer 2015           
Fall 2015             
Spring 2016           
Summer 2016           
Fall 2016             

Estimated costs (USD):
Academic year          $18,322   $9,225   $1,000   Total $28,547
Tuition and fees       
Living expenses        
Books                  

Costs are subject to change.

WHY K-STATE?

Earn a degree from a respected public state university in the United States. Kansas State University features many academic programs and cultural offerings. Discover endless opportunities to pursue your passions, discover new interests and experience a dynamic campus life.

Opportunity
Students can explore their interests through a number of majors and courses that encourage hands-on assignments. With dynamic degrees, such as architecture, engineering, aviation, apparel and textiles, theatre and art, the learning process lends itself to creativity and career application.

Research
You can conduct research as both an undergraduate and graduate, and work closely with faculty mentors through fellowships, traineeships, teaching assistantships and research assistantships. Students can conduct research in a wide array of environments, from the 8,600-acre Konza Prairie Biological Station to the Johnson Cancer Research Center. The university is home to more than 90 research centers and has developed more than 200 patents.
Housing and dining services

Choose from many safe, on-campus housing options. Space is available all year for enrolled students, even during holidays and vacations in continuous housing residence halls. Most halls offer double rooms, along with computer rooms, recreational space and laundry facilities.

Manhattan

- Nine residence halls
- One all-female residence hall and one female leadership/scholarship house
- Three apartment-style neighborhoods
- Three dining centers with an award-winning dining program that offers several meal plans and menu options

Salina

- Two residence halls
- Close-knit campus with safe and convenient housing
- Co-educational, 100-bed suite-style halls offer single or double occupancy rooms
- Buffet-style dining is an easy walk away
Get involved

- **Student clubs:** Choose from more than 475 student clubs and organizations or start your own.
- **Leadership and service organizations:** Students who want to lead and serve their community have no problem finding opportunities at Kansas State University through clubs, organizations or honorary societies.
- **Arts and culture:** Attend a McCain Performance Series event or tour an art exhibition at the Beach Museum of Art.
- **Athletics:** Choose from the more than 60 intramural sports teams, play a club sport like soccer or rugby, and cheer for the Wildcats on 16 varsity teams.
WHO WE ARE

24,500 total students
2,100+ international students from more than 100 countries
250 undergraduate majors
67 master's degrees
44 doctoral degrees
35 certificates
20:1 student-to-faculty ratio

OUR 9 COLLEGES
- Agriculture
- Architecture, planning & design
- Arts and sciences
- Business administration
- Education
- Engineering
- Human ecology
- Technology and aviation
- Veterinary medicine

"The Best 378 Colleges" (2014)

No. 6: Happiest students
The Princeton Review's
"The Best 378 Colleges" (2014)

One of America's best public universities
About us
Kansas State University is on its way to become a Top 50 public research university by 2025. The university was founded in 1863 as the United States' first operational federal land-grant university.

A classic college town
Find plenty of cultural opportunities to explore in Manhattan. Approximately 52,000 residents live in Manhattan, home to parks, museums, a mall, historic downtown, zoo and entertainment options.

The Salina area offers a variety of local and national restaurants, shopping, arts and entertainment.

Getting here
The Manhattan Regional Airport (MHK) serves the area with daily commercial flights to the airline hubs of Dallas (DFW) and Chicago (ORD). At the beginning of each semester, a free shuttle service to the campus is offered to students arriving from the Manhattan Regional Airport.
