YOUR FUTURE MIGHT BE MADE IN CHINA

The International Mobility Office focuses on inbound and outbound student exchange business. It is committed to providing international students with a rewarding experience and also oversees student exchange and relevant tailor made programmes. The office provides services for non-degree international students including admission, visa, and daily management. Additionally, it develops short term tailor-made programmes for study groups from foreign institutions and designs general courses conducted in English for these international students at SJTU. The office also aims to create valuable opportunities for SJTU students to study abroad and gain a headstart in their future careers.
