Study Abroad & Exchange Scholarships at the University of Sheffield.

Study Abroad Scholarship

By accepting your place at the University of Sheffield you are automatically eligible for this scholarship.

Due to the generosity of our alumni, we are excited to offer scholarships to students who have accepted a place on our Study Abroad Programme. Any (not including US) exchange or fee paying student is invited to apply.

Scholarship winners will receive £1,000 if they study in Sheffield for a full academic year or £500 if they come for one semester.

“...The scholarship money has allowed me to maximize my time here in England by alleviating some of the financial pressure associated with studying abroad, and fully allowing me to enjoy my experience in Sheffield and focus on my academic studies without having to stress so much about the finances.”

Rachel Brock, University of Queensland, Australia

University of Sheffield in America Study Abroad Scholarships

Any student from a US university accepting a place at the University of Sheffield is eligible to apply.

We are delighted to offer a number of Study Abroad scholarships for American students studying on the Study Abroad Programme at the University of Sheffield. These awards have been made possible by the generosity of Sheffield’s American alumni. There are around 2,000 Sheffield graduates and former Study Abroad students currently living in the United States. Their combined support, through donations to the ‘University of Sheffield in America Alumni Fund’, has enabled us to offer these special scholarships.
Use the money to explore the UK and Europe or have the money taken off your accommodation.
