Visa Requirements/ Residence Permit Application

Entry Regulations

All applicants from Non-EU nations need a visa to study in Germany. In order to get a visa, the students must apply for one at the embassy or consulate of the Federal Republic of Germany in their home country at least 2 months ahead of time. To travel to Germany on a tourist visa is not recommended, since it cannot be changed to a student visa. Students that are in Germany on a tourist visa are not entitled to study there. Students from the United States, Australia, Canada, New Zealand, Japan, the Republic of Korea, Israel as well as Switzerland who are allowed to enter Germany without a visa have to fill out a residence permit application after their arrival in Germany. This can be obtained at the local Registration Authority for International Residents.

Health Insurance

Health insurance is compulsory in Germany. Students cannot register at TUM without proof of German national insurance. To ensure that coverage is sufficient to meet German national standards, it is recommended that students purchase an in-country medical insurance plan. Travel insurances are not accepted.

Banking

It is highly advisable to open a bank account in Germany. German banks offer accounts free of charge for students. Debit cards from German banks are accepted throughout Europe. In Munich, all major credit cards are accepted. However, not all stores take credit cards; in some shops, the customer is obligated to pay with cash. In smaller cities and towns outside of Munich, credit cards are not widely accepted.
