Bachelor of Engineering / Bachelor of Commerce

1. Definitions
   In these rules –
   - approved combination means a combination of courses approved by the BEL executive dean;
   - BCom major means an approved combination of 12 units from group 2 of the BCom course list of which 6 units are level 3 courses;
   - BEL executive dean means the executive dean of the business, economics and law faculty;
   - BE major, for a student, means 50 units from the BE course list for the field chosen by the student;
   - commerce elective courses means the elective courses in group 3 of the BCom course list of which 6 units are level 3 courses;
   - compulsory courses means all compulsory courses in group 1 of the BCom course list.

2. Field of study
   A student must undertake the BE part of the dual program in an approved field of study.

3. Program requirements
   (1) To complete the program, a student must complete 88 units, comprising —
       (a) 36 units from the BCom course list comprising —
           (i) 24 units for compulsory courses; and
           (ii) either —
                (A) a BCom major; or
                (B) 12 units of commerce electives; and
       (b) 52 units from the BE course list comprising —
           (i) a major in the chosen field of study; and
           (ii) 2 units from part B electives or other courses approved by the executive dean.
   (2) Unless a different intention appears in these rules, a student must comply with the program rules for both degrees.

4. Course pre-enrolment approval
   Not required.
   Note See GAR 2.4.4 of the General Award Rules.

5. Concurrent enrolment
   A student must maintain concurrent enrolment in both degree programs.

6. Special rules
   6.1 MGTS1201
   (1) A student required to complete INFS1200 for the engineering major may not enrol in, and must not be granted credit for completing MGTS1201.
   (2) A student who gains credit for INFS1200 is exempt from the requirement to gain credit for MGTS1201, but must gain credit for 2 units in a commerce elective course approved by the BEL executive dean (other than a course counted for the purposes of the student satisfying rule 3(1)(a)(ii) or rule 6.2(2)).
6.2 **ECON1310**

(1) A student required to complete STAT2201, STAT2203, CHEE2010, CHEE3010 or MINE3214 for the engineering major may not enrol in, and must not be granted credit for completing ECON1310.

(2) A student who gains credit for STAT2201, STAT2203, CHEE2010, CHEE3010, or MINE3214 is exempt from the requirement to gain credit for ECON1310, but must gain credit for 2 units in a commerce elective course approved by the BEL executive dean (other than a course counted for the purposes of the student satisfying rule 3(1)(a)(ii) or rule 6.1(2)).

6.3 **Field of study**

(1) A student enrolled in the program may not undertake—
   (a) a dual major, or
   (b) an extended major; or
   (c) a combination of a major and a minor.

(2) In subrule (1)—
   *dual major* has the meaning given by the program rules for the Bachelor of Engineering program (the *BE Rules*);
   *extended major* has the meaning given by the BE Rules;
   *major* has the meaning given by the BE Rules;
   *minor* has the meaning given by the BE Rules.
