

Bachelor of Biomedical Science (Honours)

1 Program requirements

- (1) To complete the program, a student must complete 64 units from the BBiomedSc(Hons) list, comprising—
 - (a) 44 units from part A; and
 - (b) 4 units from part A or other courses approved by the executive dean; and
 - (c) either—
 - (i) 16 units from part B; or
 - (ii) 16 units from part C.
- (2) A student must gain 12 units for late year courses from part A of the BBiomedSc(Hons) course list.
- (3) To enrol in part C, a student must—
 - (a) complete the requirements of subrule (1)(a) with a GPA of 4; and
 - (b) gain a GPA of 4.5 for 8 units of approved late year courses.

2 Maximum credit for other study

- (1) The maximum credit that the associate dean (academic) may grant to a student for other study is 32 units.
- (2) Despite subrule (1), the associate dean (academic) may grant only 8 units towards rule 1(2) on the basis of other study.

3 Class of honours

The class of honours is calculated on the basis of the GPA of the results obtained by a student in the first attempt at courses in part B or C.

4 Special rules

4.1 Progression through program

A student must complete rules 1(1)(a) and 1(1)(b) before enrolling in any course from part B or part C.

4.2 Supplementary assessment

In addition to GAR 1A.17, the associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade in any semester of study; and
- (b) has not been granted supplementary assessment in any course in that semester; and
- (c) has not previously been granted supplementary assessment under this rule; and
- (d) makes an application for supplementary assessment within 5 days of the release of results.

5 Transitional

Students enrolled in the bachelor of biomedical science as at 31 December 2014 may be permitted to enrol in this program.
