Bachelor of Food Technology

1   Program requirements:

To complete the program, a student must complete 64 units from the BFoodTech course list comprising —

(a)   all courses from part A; and
(b)   the remainder from part B.

2   Residential schools:

A student may be required to undertake a residential school if enrolled in courses in external mode.

3   Honours:

Note   see GAR 2.5 of the General Award Rules.

3.1   Entry:

To enrol for honours, a student must —

(a)   have completed 32 units from the BFoodTech course list with a GPA of 5; and
(b)   be currently enrolled in the pass degree program; and
(c)   satisfy the executive dean that the student is qualified to undertake honours.

3.2   Program requirements:

16 units from the BFoodTech Honours course list comprising—

(a)   8 units from part A; and
(b)   8 units from part B.

3.3   Class of honours

The class of honours is calculated on the basis of the weighted percentage of the initial result obtained by a student in the first attempt at all courses that contribute to requirements for honours.

3.4   Award of pass degree:

An honours student who completes the pass degree program requirements and does not complete honours may be awarded the pass degree.

4   Special rules

4.1   Supplementary assessment

In addition to GAR 1A.17, the associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

(a)   gains that grade in any semester of study; and
(b)   has not been granted supplementary assessment in any other course in that semester; and
(c)   has not previously been granted supplementary assessment under this rule; and
(d)   makes an application for supplementary assessment within 5 days of the release of results.
