

Bachelor of Veterinary Science

1. Program requirements:

- 1.1 **Program requirements:** #80 from the BVSc list.
- 1.2 A student must complete additional requirements (including vacation practical work) set by the head of school.

2. Special rules:

- 2.1 **Rate of progress:** A student is required to obtain credit for all courses in a year before progressing to the next year of the program. However students within the first three years of the program may apply to the head of school for permission to vary this progression.
- 2.2 **Part-time enrolment:** A student who fails a course set for a year may, if approved by the executive dean, enrol as a part-time student in the following year to complete the course.
- 2.3 **Continuous enrolment:** Unless approved by the head of school, a student must undertake the program without interruption.
- 2.4 **Supplementary assessment:** The executive dean may grant a supplementary assessment to a student who -
 - (a) gains a grade of 2 or 3; and
 - (b) failed no more than 4 units in semester 1 or failed no more than 8 units in the academic year.
- 2.5 **Award of the bachelor of veterinary biology:** A student who withdraws from the program after completing #48 of the program at this university may be awarded the bachelor of veterinary biology.

3. Honours:

Note See GAR 2.4.

Honours may be awarded to a student on the basis of the student's grade point average for their first attempt at all non-elective level III, IV and V courses in the BVSc program.
