

## Bachelor of Engineering (Honours) / Master of Engineering

### 1 Definitions

In these rules—

**contributing courses** means all courses undertaken at the university which count towards the BE(Hons)/ME or which would have counted if passed but excludes courses where the student was awarded a final grade of 'P';

**course grade** means the final grade for that courses if that grade is numeric, or, it means '2' if the final grade is 'N' or otherwise it means '0';

**course level** means—

- (a) the fifth character of the course code where that character is 1,2,3, or 4; or
- (b) 4 when the fifth character of the course code is a 6; or
- (c) 5 when the fifth character of the course code is a 7;

**electives** means courses on the BE(Hons) course list and BE(Hons)/ME course list;

**final grade** means the final result awarded before any supplementary assessment (if applicable);

**following semester** means—

- (a) for first semester, semester two of the same year; or
- (b) for second semester, semester one of the following year or summer semester of the same year; or
- (c) for summer semester, semester one of the following year;

**practice** means engineering professional practice;

**preparatory science and mathematics courses** means courses offered by the university as equivalent to Queensland Year 12 subjects in physics, chemistry and mathematics;

**weighted cumulative grade point average** means the average grade over all attempts at contributing courses where each course grade is weighted by the unit value of the course and the course level.

### 2 Enrolment requirements

To enrol in the program, a student must—

- (a) have completed at least 48 units towards the BE(Hons) or a BE(Hons) dual program including all compulsory courses listed under years 1, 2 and 3 on the BE(Hons) course list for an approved field or equivalent studies approved by the executive dean; and
- (b) have a weighted cumulative grade point average of at least 5 across the courses that can be credited towards the BE(Hons)/ME; and
- (c) satisfy the executive dean that based on the student's academic record the applicant is qualified for admission.

### 3 Field of study

A student must undertake the program in an approved field.

### 4 Program requirements

- (1) To complete the program, a student must complete 80 units from the BE(Hons)/ME course list including—
  - (a) an approved field of study as set in the BE(Hons)/ME course list; and

- (b) the balance from electives or other courses approved by the executive dean.
- (2) Of the 80 units required for the program as set out in subrule (1), a student must complete no more than 4 units of level 1 courses not on the BE(Hons) course list.

## **5 Maximum credit for other study**

A student must complete at least 32 units of courses credited towards the BE(Hons)/ME as an enrolled student at the university.

## **6 Class of honours**

The class of honours is calculated on the basis of the weighted cumulative grade point average.

*Note see PPL 3.50.12 Bachelor Honours Degrees*

## **7 Special rules**

### **7.1 Practice**

- (1) A student must complete 60 days of practice approved by the executive Dean.
- (2) Within 4 weeks of the start of the semester following the period of practice, a student must give the executive dean a 1000–1500 word written report—
  - (a) in a form approved by the executive dean; and
  - (b) containing the comments of the supervisor of the place where the practice was undertaken.

### **7.2 Supplementary assessment**

The associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade—
  - (i) on the first occasion in the first two semesters of study in a program following admission to the undergraduate study at the university; or
  - (ii) in the penultimate semester of the program when—
    - (A) a failing grade would mean the student is unable to complete the program in the following semester; and
    - (B) a higher grade would allow completion of the program with enrolment in 8 units or fewer in the following semester; and
    - (C) the student has not previously been granted supplementary assessment under rule 7.2(a)(ii); or
  - (iii) in the final semester of the program when a higher grade would complete the program requirements; and
- (b) makes an application within 5 days of the release of results.
