

## Bachelor of Exercise and Sports Sciences (Honours)

### 1 Field of study

#### 1.1 Approved field

A student may undertake the program in an approved field.

#### 1.2 Clinical exercise physiology major

- (1) To be eligible to enrol in the clinical exercise physiology major, a student must—
  - (a) have a GPA of 4 across all courses in part A of the BExSS(Hons) course list; and
  - (b) be currently enrolled in the BExSS(Hons) program.
- (2) Once eligibility is established, entry is via a competitive selection process based on GPA.

### 2 Program requirements

To complete the program, a student must complete 64 units from the BExSS(Hons) course list, comprising—

- (a) 32 units from part A; and
- (b) 32 units from part B.

### 3 Class of honours

The class of honours will be calculated on the basis of the GPA of the results obtained by a student across the 16 units of courses identified in the course list.

### 4 Special rules

#### 4.1 First aid and CPR certificate

Before the commencement of semester 1, year 2 of the program, a student must obtain and provide evidence of a valid first aid and CPR certificate and thereafter hold a current first aid and CPR certificate for the duration of the program.

#### 4.2 Immunisation

- (1) Before commencing a course in which, in the opinion of the executive dean, the student may be at risk of contracting or passing on a blood-borne virus or other disease, the student must complete a schedule of immunisations approved by the executive dean.
- (2) The requirements under subrule (1) may be waived only if—
  - (a) the student provides evidence of their status with respect to immunity against blood-borne viruses or other disease prescribed in the schedule; or
  - (b) approved by the executive dean.

#### 4.3 Blue card

Before the commencement of semester 1, year 2 of the program, a student must obtain and provide evidence of a valid blue card and thereafter hold a current blue card for the duration of the program.

### 5 Transitional

Students enrolled in the Bachelor of Exercise and Sports Sciences as at 31 December 2014 may be permitted to enrol in this program.
