

Bachelor of Agribusiness Bachelor of Applied Science

1 Definitions

In these rules –

major means an approved combination of 16 units;

industry practice work experience means work experience in industry practice approved by the executive dean.

2 Field of study

A student must undertake the BAppSc component of the dual program in a major approved by the executive dean.

3 Program requirements

- (1) To complete the program, a student must complete 64 units comprising –
 - (a) 32 units from part A of the BAgribus course list; and
 - (b) 32 units from the BAppSc course list, including –
 - (i) 16 units from part A; and
 - (ii) 16 units for a major in part B.
- (2) Unless a different intention appears in these rules, a student must comply with the program rules for both degrees.

4 Special rules

4.1 Residential schools

A student may be required to undertake a residential school for certain courses if enrolled in external mode.

4.2 Industry practice work experience

A student will be required to have completed industry practice work experience by the end of the final semester.
