

Master of Organisational Psychology

1 Definitions

In these rules—

practicum course means a course containing a practical component where students gain supervised experience in a workplace setting.

2 Enrolment requirements

To enrol in the program, a person must—

- (a) hold an approved bachelor honours degree in psychology with honours class IIA (or equivalent); and
- (b) be eligible for registration as a provisional psychologist in Australia; and
- (c) satisfy the executive dean and head of school that the student has sufficient training and experience in the organisational psychology field and is suitably qualified for admission.

3 Program requirements

To complete the program, a student must complete 32 units in accordance with the MPsyOrg course list.

4 Special rules

4.1 Minimum enrolment per semester

A student must enrol in—

- (a) 8 units each semester, if full-time; or
- (b) 4 units each semester, if part-time.

4.2 PSYC7414

A student must enrol for PSYC7414 at the beginning of—

- (a) second year, if full-time; or
- (b) third year, if part-time.

4.3 Mode of study

A student must get the approval of the head of school to change enrolment status.

4.4 Practicum

A student who commences, but does not successfully complete, a practicum course may re-enrol in that course in any subsequent semester only if approved by the executive dean.

4.5 Psychologist registration

A student must have provisional or general registration with the Psychology Board of Australia for the duration of enrolment in the program.

4.6 Award of the Graduate Diploma in Organisational Behaviour

A student who withdraws from the program after completing 16 units from the MPsyOrg course list may be awarded a Graduate Diploma in Organisational Behaviour.
