Bachelor of Environmental Science (Honours)

1 Definitions
In these rules—

*major* means an approved combination of 16 units from Part B of the BEnvSc(Hons) course list.

2 Field of study
A student must undertake the program in a major.

3 Program requirements
(1) To complete the program, a student must complete 64 units from the BEnvSc(Hons) course list comprising—
   (a) 18 units from part A; and
   (b) 16 units for a major from part B; and
   (c) 16 units from part H; and
   (d) the remaining units from part B.

(2) A student must gain 12 units for late year courses from part A and part B.

(3) A student must gain no more than 24 units of level 1 courses in the program.

4 Maximum credit for other study
The maximum credit that the associate dean (academic) may grant to a student for other study is 32 units.

*Note* see PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning

5 Class of honours
The class of honours is calculated on the basis of the GPA of results obtained by a student in their first attempt for courses in part H of the BEnvSc(Hons) course list.

*Note* see PPL 3.50.12 Bachelor Honours Degrees

6 Special rules
6.1 Progression through program
A student must complete courses in part A and part B before enrolling in courses in part H.

6.2 Award of the bachelor of science
A student who withdraws from the program having completed the requirements of the Bachelor of Science degree may be awarded that degree.
