

## Bachelor of Sustainable Agriculture

### 1 Definitions

In these rules—

*approved combination* means a combination of courses that is approved by the executive dean;

*major* means an approved combination of 20 units from part B of the BSAgr course list.

*residential school* means a period of attendance on campus to carry out components of a course which are not delivered externally.

### 2 Field of study

A student must undertake the program in an approved major.

### 3 Program requirements

- (1) To complete the program, a student must complete 48 units from the BSAgr course list, comprising—
  - (a) 12 units from part A; and
  - (b) 20 units from part B of the major being studied; and
  - (c) 16 units from part C.
- (2) Of the 48 units required to complete the program under subrule (1), a student must complete no more than 24 units of level 1 courses.
- (3) Of the 20 units required from part B under subrule (1)(b), a student must complete 10 units from level 3 courses or higher.

### 4 Special rules

#### 4.1 Residential schools

If enrolled in external mode, a student will be required to undertake residential schools for certain courses.
