Bachelor of Sustainable Agriculture

1 Definitions
In these rules—

*approved combination* means a combination of courses that is approved by the executive dean;

*major* means an approved combination of 20 units from part B of the BSagr course list.

*residential school* means a period of attendance on campus to carry out components of a course which are not delivered externally.

2 Field of study
A student must undertake the program in an approved major.

3 Program requirements
(1) To complete the program, a student must complete 48 units from the BSagr course list, comprising—
   (a) 12 units for part A; and
   (b) 20 units for a major from part B; and
   (c) 16 units from part B or part C or a combination of both.

(2) Of the 48 units required to complete the program under subrule (1), a student must complete no more than 24 units of level 1 courses.

(3) Of the 20 units required from part B under subrule (1)(b), a student must complete 10 units from level 3 courses or higher.

4 Special rules
4.1 Supplementary assessment
In addition to PPL 3.10.09 Supplementary Assessment, the associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—
   (a) gains that grade in any semester of study; and
   (b) has not been granted supplementary assessment in any other course in that semester; and
   (c) has not previously been granted assessment under this rule; and
   (d) makes an application for a supplementary assessment within 5 days of the release of results.

4.2 Residential schools
If enrolled in external mode, a student will be required to undertake residential schools for certain courses.
