Bachelor of Sustainable Agriculture

1 Definitions
   In these rules—
   approved combination means a combination of courses that is approved by the executive dean;
   major means an approved combination of 20 units from part B of the BS Agr course list.
   residential school means a period of attendance on campus to carry out components of a course which are not delivered externally.

2 Field of study
   A student must undertake the program in an approved major.

3 Program requirements
   (1) To complete the program, a student must complete 48 units from the BS Agr course list, comprising—
       (a) 12 units from part A; and
       (b) 20 units from part B of the major being studied; and
       (c) 16 units from part C.
   (2) Of the 48 units required to complete the program under subrule (1), a student must complete no more than 24 units of level 1 courses.
   (3) Of the 20 units required from part B under subrule (1)(b), a student must complete 10 units from level 3 courses or higher.

4 Special rules
   4.1 Residential schools
       If enrolled in external mode, a student will be required to undertake residential schools for certain courses.
