Bachelor of Commerce / Bachelor of Information Technology

1   Definitions

In these rules—

approved combination means a combination of courses approved by the executive dean;

BCom major means an approved combination of 12 units from part B of the BCom course list of which 6 units must be at level 3;

BInfTech major means major as defined in the BInfTech program rules;

pre-2019 student means a student who first enrolled in the program before 1 January 2019.

2   Field of study

(1)   A student must undertake the BCom component of the dual program in an approved field.

(2)   A student may undertake the BInfTech component of the dual program in an approved field.

3   Program requirements:

(1)   To complete the program, a student must complete 64 units, comprising—
    (a)   32 units from the BCom course list, comprising—
        (i)   16 units from part A; and
        (ii)   12units for a BCom major from part B; and
        (iii)   4 units from part B or C or a combination of both; and
    (b)   32 units from the BInfTech course list, comprising—
        (i)   14 units from part A1; and
        (ii)   4 units from part A2; and
        (iii)   either—
            (A)   14 units for a permitted BInfTech major; or
            (B)   14 units, comprising—
                (a)   6 units from part B, including at least 2 units from part B1; and
                (b)   8 units from part C.

(2)   Unless a different intention appears in these rules a student must comply with the program rules for both degrees.

4   Special rules

4.1   Courses in both lists

Each course may only count towards one component of the dual program. Where a course is compulsory in one component of the dual program but not the other, then it must be counted towards the component in which it is compulsory.

5   Transitional

A pre-2019 student may choose to complete the program under the rules in force on 31 December 2018, rather than under the current rules.
