

## Master of Engineering

### 1 Definitions

In these rules—

*partner institution* means an overseas institution with whom The University of Queensland has a formal agreement as an official partner with the Master of Engineering program.

### 2 Enrolment requirements

To enrol in the program, a person must—

(a) either—

(i) hold an approved degree in engineering and in the relevant field of study for which they wish to enrol; or

(ii) have successfully completed at least three years of study towards an approved program at a partner institution; and

(b) satisfy the executive dean, that based on their academic record, they are suitably qualified for admission into this program.

### 3 Field of study

A student must undertake the program in an approved field of study.

### 4 Program requirements

A student must complete 32 units of courses in accordance with the ME course list for the enrolled field of study.

### 5 Maximum credit for other study

The maximum credit that the associate dean (academic) may grant to a student for previous study is 16 units.

*Note* see [PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning](#)

### 6 Special rules

#### 6.1 Professional practice

A student must—

(a) complete 450 hours of professional practice approved by the executive dean; and

(b) satisfactorily complete assessment pertaining to that professional practice as determined by the executive dean.

#### 6.2 Supplementary assessment

The associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

(a) gains that grade—

(i) in the first semester of postgraduate study at the university; or

(ii) in the final semester of the program when a higher grade would complete the program requirements; and

(b) makes an application within five (5) days of the release of results.

### **6.3 Award of the Graduate Certificate in Engineering**

A student who withdraws from the program after completing 8 units from the ME course list may be awarded a Graduate Certificate in Engineering with an undeclared field of study.

*Note* see [PPL 3.20.02b of the Policy and Procedures Library](#) regarding required postgraduate content.

### **6.4 Award of the Graduate Diploma in Engineering**

A student who withdraws from the program after completing 16 units from the ME course list may be awarded a Graduate Diploma in Engineering in the relevant field.

*Note* see [PPL 3.20.02b of the Policy and Procedures Library](#) regarding required postgraduate content.
