Master of Engineering Science (Management)

1 Definitions
In these rules—

*partner institution* means an overseas institution with whom The University of Queensland has a formal agreement as an official partner with the Master of Engineering Science (Management) program.

*pre-2012 ME(Man) student* means a student who first enrolled in the ME(Man) program before 1 January 2012.

2 Enrolment requirements
To enrol in the program, a person must—
(a) either—
   (i) hold an approved degree in the same discipline; or
   (ii) have successfully completed at least three years of study towards an approved program at a partner institution; and
(b) satisfy the executive dean that, based on the person’s academic record, they are suitably qualified for admission.

3 Field of study
A student must undertake the program in an approved field.

4 Program requirements
To complete the program, a student must complete 32 units from the MEngSc(Man) course list in an approved field.

5 Maximum credit for other study
The maximum credit that the associate dean (academic) may grant to a student for other study is 16 units.

Note See PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning

6 Special rules
6.1 Supplementary assessment
The associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—
(a) gains that grade—
   (i) in the first semester of postgraduate study at the university; or
   (ii) in the final semester of the program when a higher grade would complete the program requirements; and
(b) makes an application within 5 days of the release of results.

7 Transitional
A pre-2012 ME(Man) student who satisfies the program requirements may be conferred the award of ME(Man) or MEngSc(Man).
