Bachelor of Biomedical Science (Honours)

1   Definitions

In these rules—

late year course means a course at level 3 or higher.

2   Enrolment Requirements

2.1   Eligibility

To be eligible for admission to the program, an applicant must—

(a) have both
   (i)   completed the program requirements of the BBiomedSc at the university; and
   (ii) gained an overall GPA of 4 and a GPA of 4.5 at the first attempt for 8 units in late year courses from the BBiomedSc course list, including a maximum of 2 units for a research project; or
(b) satisfied the executive dean and head of school that the applicant is qualified to undertake honours based on the applicant's academic records; and subject to completion of additional work if set.

2.2   Selection

(1) The head of school may limit places dependent on the project availability.
(2) Once eligibility is established, entry is via a competitive selection process based on GPA.

3   Program Requirements

To complete the program, a student must complete 16 units from the BBiomedSc(Hons) course list.

4   Class of honours

The class of honours is calculated on the basis of the grade point average of the results obtained by a student in the first attempt at all courses in the program.
