Bachelor of Information Technology

1 Definitions
In these rules—

approved combination means a combination of courses approved by the executive dean;
electives means courses from parts B, C or D or other courses approved by the executive dean;
extended major means an approved combination of 24 units from part F of the BInfTech course list;
major means an approved combination of 14 units from part E of the BInfTech course list.

2 Field of study
A student may undertake the program in an approved field.

3 Program requirements
(1) To complete the program, a student must complete 48 units from the BInfTech course list, comprising—
   (a) 14 units from part A1; and
   (b) at least 4 units from part A2; and
   (c) either—
      (i) a major; or
      (ii) an extended major; or
      (iii) for a program undertaken with no major, both—
         (A) 6 units from part B, including 2 units from part B1; and
         (B) 8 units from part C; or
      (iv) two majors; and
   (d) the balance from electives.
(2) Of the 48 units required for the program as set out in subrule (1), a student must complete—
   (a) no more than 20 units of level 1 courses; and
   (b) at least 12 units of late year courses.
(3) For a program undertaken with two majors and where a course is compulsory in both majors, the balance of units required for the majors must be from courses in part B or part C or a combination of both.
