

## Graduate Certificate in Engineering Science

### 1 Definitions

In these rules –

*pre-2012 GCE student* means a student who first enrolled in the GCE program before 1 January 2012.

### 2 Enrolment requirements

To enrol in the program, a person must —

- (a) either—
  - (i) hold an approved degree; or
  - (ii) have completed post-secondary study and 2 years relevant work experience approved by the executive dean; and
- (b) satisfy the executive dean that, based on the student's academic record, the student is suitably qualified for admission.

### 3 Program requirements

To complete the program, a student must complete 8 units from the MEngSc course list or other courses in an engineering field approved by the executive dean.

### 4 Maximum credit for other study

The maximum credit the associate dean (academic) may grant to a student for other study is 4 units.

*Note* See [PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning](#).

### 5 Transitional

A pre-2012 GCE student who satisfies the program requirements may be conferred the award of GCE or GCEngSc.
