Graduate Certificate in Pharmacy Practice

1 Definitions
In these rules—
approved qualification means the completion of an accredited program approved by the Pharmacy Board of Australia or equivalent qualification.

2 Enrolment requirements
To enrol in the program, a person must—
(a) hold an approved qualification in pharmacy; and
(b) hold provisional registration as an intern pharmacist with the Pharmacy Board of Australia.

3 Program requirements
To complete the program, a student must complete 8 units in accordance with the GCPharmPrac course list.

4 Special rules
4.1 Mode of study
A student may undertake this program on a part time basis only, in accordance with the program course list.

4.2 Continuous enrolment
Unless otherwise approved by the head of school, a student must complete the Internship Training component of the program without interruption.

4.3 Cancellation of credit period
The credit cancellation period for the GCPharmPrac program is 5 years.
Note See PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning.

4.4 Progression through program
Unless approved by the executive dean, a student must not enrol in subsequent semesters of the program, without completing all courses in the preceding semester.

4.5 Professional registration
(a) A student must maintain provisional registration as an intern pharmacist with the Pharmacy Board of Australia throughout enrolment in the program.
(b) A student who has their registration rescinded during the program must notify the school in writing.
(c) Despite rules 4.5(a) and 4.5(b), a student who has completed their internship may instead hold general registration as a pharmacist with the Pharmacy Board of Australia.
