

Graduate Diploma in Magnetic Resonance Technology

1 Enrolment requirements

To enrol in the program, a person must—

- (a) have completed the Graduate Certificate in Magnetic Resonance Technology; or
- (b) hold an approved degree in the same discipline; or
- (c) Satisfy the executive dean that, based on the applicant's academic record and prior work experience, the student is qualified for admission.

2 Program requirements:

To complete the program, a student must complete 16 units from the MMagResonTech course list comprising—

- (a) 8 units from part A; and
- (b) 8 units from part B, which must include a minimum of 6 units of MRES coded courses, including one of either MRES7010 or MRES7015.

3 Maximum credit for other study:

The maximum credit that the associate dean (academic) may grant to a student for other study is 6 units.

Note see [PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning](#).
