Graduate Diploma in Molecular Biology

1 Enrolment requirements
   To enrol in the program, a person must hold—
   (a) a Graduate Certificate in Molecular Biology; or
   (b) an approved degree.

2 Program requirements
   To complete the program, a student must complete 16 units from the GDipMolBiol course list comprising—
   (a) 8 units from part A; and
   (b) 8 units from part B.

3 Maximum credit for other study
   The maximum credit that the associate dean (academic) may grant to a student for other study is 6 units.
   Note see PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning.
