

Master of Sustainable Energy (Management)

1 Definitions

In these rules—

partner institution means an overseas institution with whom The University of Queensland has a formal agreement as an official partner with the Master of Sustainable Energy (Management) program.

2 Enrolment requirements

To enrol, a person must—

- (1) either—
 - (a) hold an approved degree; or
 - (b) hold a Graduate Certificate or Graduate Diploma in Sustainable Energy from the University; or
 - (c) have completed at least three years of study towards an approved program at a partner institution; and
- (2) satisfy the executive dean that, based on the person's academic record and prior work experience, the person is qualified for admission.

3 Program requirements

To complete the program, a student must complete 32 units in accordance with the MSE(Man) course list.
