Bachelor of Computer Science / Master of Data Science (BCompSc/MDataSc)

1 Definitions

In these rules—

*major* means a prescribed combination of 16 units as set out in the BCompSc/MDataSc course list.

2 Program requirements

To complete the program, a student must complete 64 units in accordance with the BCompSc/MDataSc course list.

3 Special rules

3.1 Masters course enrolment limitation

A student must not enrol in any level 7 courses until they have completed at least 32 units towards the program.

3.2 Progression through program

1. A student who does not pass all courses in a semester and who has not yet completed 48 units towards the program will be cautioned that their academic progress falls below an acceptable standard.

2. Despite subrule 3.2(1), a student who does not pass all courses in a semester and who has been cautioned in an earlier semester within the program and who has not yet completed 48 units towards the program will be required to show cause to the associate dean (academic) why enrolment should not be cancelled.

3. A student who is required to show cause under subrule 3.2(2) must do so no later than 20 business days after being required to show cause.

4. A student who is required to show cause may be required to attend a meeting with the associate dean (academic) or nominated staff member.

5. Show cause applications will be determined in accordance with criteria set by the associate dean (academic).

6. A student who has been required to show cause may have conditions set on their re-enrolment by the associate dean (academic).

7. A student will not be permitted to remain enrolled in the program if—

   a. the student fails to show cause by the due date, or

   b. the student’s show cause application is refused, or

   c. the student fails to meet the conditions set on their re-enrolment by the associate dean (academic).

8. Withdrawal without academic penalty does not count as failure to pass a course.

9. A student who is not permitted to remain enrolled in the program under subrule 4.2(7) —

   a. will be permitted to enrol in the Bachelor of Computer Science; and

   b. may apply for readmission into the BCompSc/MDataSc in a subsequent semester provided they meet the relevant admission requirements for the program.
