Bachelor of Information Technology

1 Definitions
In these rules—

*major* means a prescribed combination of 16 units as set out in the BInfTech course list;

*minor* means a prescribed combination of 8 units as set out in the BInfTech course list.

2 Program requirements
(1) To complete the program, a student must complete 48 units in accordance with the BInfTech course list.
(2) Of the 48 units required for the program as set out in rule 2(1), a student must complete—
   (a) no more than 24 units of courses at level 1, and
   (b) at least 8 units of courses at level 3 or higher.

3 Program plan
A student must undertake the program with—
   (a) a major, or
   (b) two majors, or
   (c) a minor, or
   (d) a major and a minor, or
   (e) without either a major or a minor.
