Bachelor of Biomedical Science / Bachelor of Science

1 Definitions
In these rules—
- **BSc dual major** means a dual major as defined in the BSc rules;
- **BSc extended major** means an extended major as defined in the BSc rules;
- **BSc major** means a major as defined in the BSc rules;
- **late year course** means a course at level 3 or higher.

2 Field of study
(1) A student must undertake the BSc part of the dual program in an approved BSc major or BSc extended major or BSc dual major.

3 Program requirements
(1) To complete the program, a student must complete 64 units comprising—
   (a) 32 units from part A of the BBiomedSc course list; and
   (b) 32 units under parts A and B of the BSc course list comprising—
      (i) 6 units from part A;
      (ii) 14 units from part B; and
      (iii) 12 units from part A or part B or a combination of both.
(2) In meeting subrule (1)(b), the student must complete at least 12 units of late year courses from the BSc course list.
(3) Unless a different intention appears in these rules, a student must comply with the program rules for both degrees.

4 Concurrent enrolment
A student must maintain concurrent enrolment in both constituent degree programs.

*Note* A dual degree is a single program of study leading to the award of two degrees. A student is not permitted to graduate with one degree and continue enrolment in the program.
