

## Bachelor of Biomedical Science / Bachelor of Science (BBiomedSc/BSc)

### 1 Definitions

In these rules—

*extended major* means a prescribed combination of 24 units from the extended major section of the BSc course list;

*major* means a prescribed combination of 16 units from the major section of the BSc course list;

*minor* means a prescribed combination of 8 units from the minor section of the BSc course list;

*UQ minor* means a prescribed combination of 8 units from the UQ minor section of the BSc course list.

### 2 Program requirements

- (1) To complete the program, a student must complete 64 units comprising—
  - (a) 32 units from the BBiomedSc course list, comprising—
    - (i) 18 units for core courses, and
    - (ii) 14 units of program elective courses; and
  - (b) 32 units from the BSc course list, with a minimum of 10 units of courses at level 3 or higher, comprising—
    - (i) either—
      - (A) 16 units for a major, or
      - (B) 24 units or extended major, and
    - (ii) the balance of units from the BSc course list (excluding courses in the UQ minors list).
- (2) Unless a different intention appears in these rules, a student must comply with the program rules for both constituent degrees.

### 3 Program plan

- (1) A student may not undertake the Biomedical Science major or extended major in the BSc component of the dual program.
- (2) Where a course is compulsory in the BBiomedSc it must be counted towards the BBiomedSc component of the program, and students should select another course from the BSc course list at the same level or higher.
- (3) Where a course is compulsory in both the BBiomedSc and a BSc major, extended major or minor, then it may be counted towards either—
  - (a) the BBiomedSc component of the program and substituted in the BSc major, extended major or minor by a course from the BSc course list at the same level or higher (excluding courses in the UQ minors list); or
  - (b) the BSc major, extended major or minor and substituted in the BBiomedSc component of the program by a course from the BBiomedSc course list at the same level or higher.

### 4 Special rules

A student enrolled in the Bachelor of Biomedical Science / Bachelor of Science (2416) may be permitted to enrol in this program.
