Bachelor of Business Management / Bachelor of Design (BBusMan/BDes)

1 Definitions
In these rules—

**BBusMan major** means a prescribed combination of 16 units as set out in the Bachelor of Business Management (BusMan) course list;

**BDes major** means a prescribed combination of 16 units as set out in the Bachelor of Design (BDes) course list.

2 Program requirements
(1) To complete the program, a student must complete 64 units from the BBusMan/BDes course list, comprising—
   (a) 32 units from the BBusMan course list, comprising—
      (i) 16 units for part A, and
      (ii) 16 units for a BBusMan major from part B; and
   (b) 32 units from the BDes course list, comprising—
      (i) 16 units for BDes core courses, and
      (ii) 16 units for a BDes major.

(2) Unless a different intention appears in these rules, a student must comply with the program rules for both constituent degrees.

3 Program plan
A student must not complete the Innovation and Entrepreneurship major in the BDes component of the dual program.

4 Special rules
4.1 Courses in both course lists
Each course may only count towards one component of the dual program. Where a course is compulsory in one component of the dual program, but not the other, it must be counted towards the component in which it is compulsory.

4.2 Information Environments major
Where a student undertakes both the Information Environments major in the BDes component and the Business Information Systems major in the BBusMan component, INFS1200 must be substituted in the Information Environments major with another course from the Information Environments major.
