Bachelor of Commerce / Bachelor of Information Technology (BCom/BInfTech)

1 Definitions
In these rules—

BCom major means a prescribed combination of 16 units as set out in part B of the Bachelor of Commerce (BCom) course list;

BInfTech major means a prescribed combination of 16 units as set out in the Bachelor of Information Technology (BInfTech) course list;

BInfTech minor means a prescribed combination of 8 units as set out in the BInfTech course list;

pre-2019 student means a student who first enrolled in the program before 1 January 2019;

pre-2021 student means a student who first enrolled in the program after 31 December 2018 but before 1 January 2021.

2 Program requirements
(1) To complete the program, a student must complete 64 units, comprising—
   (a) 32 units from the BCom course list, comprising—
      (i) 16 units for part A, and
      (ii) 16 units for a BCom major; and
   (b) 32 units from the BInfTech course list, comprising—
      (i) 16 units for compulsory courses; and
      (ii) 16 units for either—
         (A) a BInfTech major, or
         (B) a BInfTech minor, and—
            (a) 6 units for Information Technology Extension courses, and
            (b) 2 units from Information Technology Advanced Electives; or
            (C) no major, comprising—
               (a) 6 units for Information Technology Extension courses, and
               (b) 10 units from Information Technology Advanced Electives, with at least 4 units at level 3.

(2) Unless a different intention appears in these rules a student must comply with the program rules for both constituent degrees.

3 Special rules
3.1 Courses in both lists
Each course may only count towards one component of the dual program. Where a course is compulsory in one component of the dual program but not the other, then it must be counted towards the component in which it is compulsory.

3.2 Business Information Systems major
Where a student undertakes the Business Information Systems major in the BCom component of the dual program:
   (a) BISM2207 must be substituted in that major by a course approved by the BEL executive dean; and
(b) BISM3222 must be counted towards that major and cannot be counted towards the BInfTech component of the dual program.

4 Transitional

(1) A pre-2019 student may be permitted to complete the program under the current rules, rather than the rules in force on 31 December 2018.

(2) A pre-2021 student may be permitted to complete the program under the current rules, rather than the rules in force on 31 December 2020.
