Bachelor of Engineering (Honours) / Bachelor of Arts (BE(Hons)/BA)

1 Definitions
In these rules—

**BA extended major** means a prescribed combination of 24 units from the plans section of the BA course list;

**BA major** means a prescribed combination of 16 units from the plans section of the BA course list;

**BA minor** means 8 units from a BA major from the plans section of the BA course list, with at least 4 units of courses at level 2 or higher;

**BE(Hons) core courses** means those courses listed in the core courses section of the BE(Hons) section of the BE(Hons)/BA course list;

**BE(Hons) specialisation** means a prescribed combination of 36 units from the BE(Hons) section of the BE(Hons)/BA course list.

2 Program requirements
(1) To complete the program, a student must complete 88 units from the BE(Hons)/BA course list comprising—

(a) 56 units from the BE(Hons) component comprising—

(i) 8 units for BE(Hons) core courses, and
(ii) 36 units for a BE(Hons) specialisation, and
(iii) 12 units from specified BE(Hons) electives relevant to the specialisation; and

(b) 32 units from the BA component including—

(i) two majors, or
(ii) both—

(A) 24 units for an extended major; and
(B) 8 units for a minor.

(2) Unless a different intention appears in these rules, a student must comply with the program rules for both constituent degrees.

3 Special rules
3.1 Courses in both course lists
(1) Where a course is compulsory in both the BE(Hons) and BA components of the dual program, it must be counted towards the BE(Hons) component and replaced in the BA component by a course from the same BA major, or BA extended major course list.

(2) Where a course is compulsory in one component of the dual program but not the other, it must be counted towards the component in which it is compulsory.

3.2 Mathematics major or minor
(1) A student undertaking a BE(Hons) specialisation in which MATH1061 is a compulsory course, and who is undertaking a Mathematics major or minor in the BA, must complete 2 units from the major course list towards the BA in place of MATH1061.

(2) A student undertaking a BE(Hons) specialisation in which MATH2001 is a compulsory course, and who is undertaking a Mathematics major or minor in the BA, must complete 2 units from the major course list towards the BA in place of MATH2001.

(3) A student undertaking a BE(Hons) specialisation in which STAT2201 is a compulsory course, is not permitted to complete STAT2203 towards the BA.
