1 Definitions
In these rules—

**BBusMan major** means a prescribed combination of 16 units from part B of the BBusMan section of the BE(Hons)/BBusMan course list;

**BE(Hons) core courses** means courses listed in the core courses section of the BE(Hons) section of the BE(Hons)/BBusMan course list;

**BE(Hons) specialisation** means a prescribed combination of 36 units from the BE(Hons) section of the BE(Hons)/BBusMan course list.

2 Program requirements
(1) To complete the program, a student must complete 88 units from the BE(Hons)/BBusMan course list, comprising—

(a) 56 units from the BE(Hons) component, comprising—

(i) 8 units for BE(Hons) core courses, and
(ii) 36 units for a BE(Hons) specialisation, and
(iii) 12 units for specified BE(Hons) electives relevant to the specialisation; and

(b) 32 units from the BBusMan component, comprising—

(i) 16 units for part A; and
(ii) 16 units for a BBusMan major.

(2) Unless a different intention appears in these rules, a student must comply with the program rules for both constituent degrees.

3 Special rules
3.1 Courses in both course lists
Where a course is compulsory in one component of the dual program, but not the other, it must be counted towards the component in which it is compulsory.
