Graduate Certificate in Business Analytics (GCBusAn)

1 Enrolment requirements
   To enrol in the program, a person must—
   (a) have completed—
       (i) a bachelor degree (or equivalent) in the same discipline, or
       (ii) a bachelor degree (or equivalent) in a different discipline, and have completed at least three years full-time (or equivalent) relevant work experience in the same discipline, or
       (iii) post-secondary study and at least three years full-time (or equivalent) relevant work experience in the same discipline, or
       (iv) the edX Business Leadership MicroMasters® credential with a percent grade of at least 65% in the Business Leadership Capstone Assessment, and have completed at least three years full-time (or equivalent) relevant work experience in the same discipline; and
   (b) satisfy the executive dean that, based on the person’s academic record and relevant work experience, the person is suitably qualified for admission.

2 Program requirements
   To complete the program, a student must complete 8 units from the Master of Business Analytics course list, comprising—
   (a) 2 units from part A, and
   (b) 6 units from parts A and/or B.

3 Maximum credit for other study
   The maximum credit that the associate dean (academic) may grant to a student for other study is 4 units.
