Graduate Certificate in Engineering Science

1 Definitions
In these rules –
pre-2012 GCE student means a student who first enrolled in the GCE program before 1 January 2012.

2 Enrolment requirements
To enrol in the program, a person must —
(a) either—
   (i) hold an approved degree; or
   (ii) have completed post-secondary study and 2 years relevant work experience approved by the executive dean; and
(b) satisfy the executive dean that, based on the student’s academic record, the student is suitably qualified for admission.

3 Program requirements
To complete the program, a student must complete 8 units from the MEngSc course list or other courses in an engineering field approved by the executive dean.

4 Maximum credit for other study
The maximum credit the associate dean (academic) may grant to a student for other study is 4 units.
Note See PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning.

5 Transitional
A pre-2012 GCE student who satisfies the program requirements may be conferred the award of GCE or GCEngSc.
