

## Graduate Certificate in Pharmacy Practice

### 1 Definitions

In these rules—

*approved qualification* means the completion of an accredited program approved by the Pharmacy Board of Australia or equivalent qualification.

### 2 Enrolment requirements

To enrol in the program, a person must—

- (a) hold an approved qualification in pharmacy; and
- (b) be eligible for registration as an intern pharmacist with the Pharmacy Board of Australia

### 3 Program requirements

To complete the program, a student must complete 8 units in accordance with the GCPharmPrac course list.

### 4 Special rules

#### 4.1 Mode of study

A student may undertake this program on a part time basis only, in accordance with the program course list.

#### 4.2 Continuous enrolment

Unless otherwise approved by the head of school, a student must complete the Internship Training component of the program without interruption.

#### 4.3 Cancellation of credit period

The credit cancellation period for the GCPharmPrac program is 5 years.

*Note* See [PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning](#).

#### 4.4 Progression through program

Unless approved by the executive dean, a student must not enrol in subsequent semesters of the program, without completing all courses in the preceding semester.

#### 4.5 Professional registration

- (1) A student must have provisional or general registration with the Pharmacy Board of Australia by the census date of the first semester of enrolment, and maintain registration throughout enrolment in the program.
- (2) A student who has their registration rescinded during the program must notify the school in writing.
