Master of Business Analytics (MBusAn)

1 Enrolment requirements
To enrol in the program, a person must—
(a) hold—
   (i) a bachelor degree (or equivalent) in the same discipline, or
   (ii) a bachelor degree (or equivalent) in a different discipline, and have completed at least three years full-time (or equivalent) relevant work experience in the same discipline, or
   (iii) the Graduate Certificate in Business Analytics from this university (or equivalent); and
(b) satisfy the executive dean that, based on the person’s academic record and relevant work experience, the person is suitably qualified for admission.

2 Program requirements
To complete the program, a student must complete 24 units from the Master of Business Analytics course list, comprising—
(a) 4 units for part A, and
(b) 16 units for part B, and
(c) 4 units for part C.

3 Maximum credit for other study
The maximum credit that the associate dean (academic) may grant to a student for other study is 12 units.

4 Special rules
4.1 Award of the Graduate Diploma in Business Analytics
A student who withdraws from the program after completing 16 units from part A and/or part B may be awarded the Graduate Diploma in Business Analytics
