Master of Health Economics (32 units)

1 Application

These rules apply to students who are enrolled in the Master of Health Economics (32 units) program.

*Note: a separate set of rules apply to students who are enrolled in the Master of Health Economics (24 units) program.*

2 Definitions

In these rules—

*MHEcon (#32) list* means the course list for the Master of Health Economics (32 units) program.

3 Enrolment requirements

To enrol in the program a person must hold -

(a) the Graduate Certificate in Economic Studies or Graduate Diploma in Economics from the university with a GPA of 4.5; or

(b) a bachelor degree, or equivalent, as approved by the executive dean with a GPA of 4.5.

4 Program requirements

To complete the program, a student must complete 32 units from the MHEcon (#32) list comprising —

(a) 24 units from part A of the list; and

(b) 8 units from part B of the list.

5 Maximum credit for other study

The maximum credit that the associate dean (academic) may grant to a student for other study is 16 units.

*Note: see PPL 3.50.03 Credit for Previous Studies and Recognised Prior Learning.*

6 Special rules

6.1 Early exit in a suite of programs

For the purposes of PPL 3.50.11 Awards, the Graduate Certificate in Economic Studies and Graduate Diploma in Economics are taken to be a part of the health economics suite of programs.

7 Transitional

Students enrolled in the Master of Health Economics (Advanced) as at 31 December 2014 may be permitted to enrol in this program.
