Master of Pharmaceutical Industry Practice (MPharmIndPrac)

1 Enrolment requirements
   To enrol in the program, a person must—
   (a) hold either—
       (i) an approved bachelor degree in science, engineering, medical science, or equivalent, or
       (ii) the Graduate Certificate in Pharmaceutical Industry Practice from this university; and
   (b) satisfy the executive dean that, based on the person’s academic record and prior work experience, the person is suitably qualified for admission.

2 Program requirements
   To complete the program, a student must complete 32 units from the MPharmIndPrac course list, comprising—
   (a) 16 units for part A, and
   (b) 0-16 units from part B, and
   (c) 0-16 units from part C.

3 Special rules

3.1 Award of the Graduate Diploma in Pharmaceutical Industry Practice
   A student who withdraws from the program after completing 16 units, comprised of the courses listed in part A of the MPharmIndPrac course list, may be awarded the Graduate Diploma in Pharmaceutical Industry Practice.
