

Bachelor of Biotechnology (BBiotech)

1 Definitions

In these rules—

extended major means a prescribed combination of 24 units from the extended major section of the BBiotech course list;

minor means a prescribed combination of 8 units from the minor section of the BBiotech course list.

2 Program requirements

- (1) To complete the program, a student must complete 48 units, comprising—
 - (a) 32 units from the BBiotech course list, comprising—
 - (i) 6 units for core courses,
 - (ii) 24 units for an extended major, and
 - (iii) 2 units from the BBiotech course list; and
 - (b) 16 units of courses from the BBiotech course list or other course lists.
- (2) A student must complete no more than 24 units of level 1 courses.

3 Program plan

A student may complete one or more minors.

4 Maximum credit for other study

The associate dean (academic) may only grant 8 units of credit towards courses at level 3 or higher, on the basis of prior study.

5 Special rules

A student enrolled in the [Bachelor of Biotechnology \(Honours\) \(2375\)](#) may be permitted to enrol in this program.
